

Lake Manawa Sailing Association (LMSA) Weekly Club Races

All racing information is available on the LMSA website – sailmanawa.com

Who: All LMSA members are welcome to race; however, we highly encourage you to join one of the sailing associations listed below to get the full benefits of the racing community.

What: Generally 3 to 4 races on each race day.

When: Races are held Wednesday night (horn at 6pm) and Saturday afternoon (horn at 1:30pm) starting mid-May and running through the end of September. Race schedule is on the reverse side and available on the LMSA website and calendar. See website for up-to-date information.

Highlights:

- LMSA has a **dedicated Race Committee (RC)**.
- If you are not a member of one of the associations listed below, please swing by the RC boat and let them know your name and boat type before the race starts.
- The RC uses the **GroupMe app** (free and no account required) to communicate about whether races will be on or cancelled on race day.
- **Keel boats** are welcome to race, but we are encouraging high turnout on certain days (see schedule on reverse side).
- **Blue Ribbon Racing/Socials** on the last Wednesday and Saturday of the month. Once start and ribbons will be awarded for overall 1st, 2nd and 3rd place.

Sailing Associations

Racers are encouraged to join one of the two sailing associations below. Why join? Each sailing association offers a community to support and encourage racers. In addition to socials and seminars, these associations track scoring and report standings of racers within the respective association for the year.

1) One Design Snipe Class Sailboat Racing (INSA – Iowa Nebraska Sailing Association)

If you will be racing a Snipe, we encourage you to join the one design Snipe Fleet run by INSA (also known as Snipe Fleet #309). Don't own a Snipe, but interested in racing one? Join INSA and they will help introduce you to Snipe racing, hook you up with a loaner Snipe to try out or help you find one to buy.

- Membership Cost: \$40
- Questions? Contact the INSA Commodore, Patrick Leahy (patrick@sailmanawa.com)
- Want to find out more? Visit the Snipe page of the LMSA website

2) Open Class Sailboat Racing (ENSA – Eastern Nebraska Sailing Association)

All sailboat types and skill levels of sailors are welcome to join and race with ENSA. We have fleets of dinghies and day sailors, catamarans, and cruisers/keel boats. In open class racing the fleets race together using the Portsmouth Handicap system of scoring.

- Membership Cost: \$25
- Questions? Contact the ENSA Commodore, Teresa Silence (tsilence@sailmanawa.com)
- Want to find out more? Visit the Open Class Racing (ENSA) of the LMSA website
